Enclosure No 1

Sir,

I have the honor to state that as the minor municipal council of Hosdrug have to find funds for the construction of a building for the local dispensary and for the drainage and road works &c and as the present income of the municipality is hardly sufficient to meet the expenditure in respect of obligatory duties, they have now, with a view to increase the resources of the municipality, resolved to levy octroi as laid down in Government order No.6319 Ml.81-19-5 dated the 25th November 1920. They have accordingly framed byelaws which

2)

have been duly published as required by section 48(2) of the Municipal Regulation and no objections are reported to have been received for the same. In regard to the rates of octroi duties to be levied they seem to have been fixed according to the local conditions and are not in excess of those prescribed in schedule IV of Government order referred to. I request that in these circumstances the Government may be kindly moved to accord sanction to the byelaws framed and to the levy of duties on the articles and at the rates mentioned therein as prayed for by the council.

The Vernacular correspondence ending with the President's report No.133 containing the resolution of the municipal council, copy of the byelaws &c is herewith forwarded for reference and kind return when done with

I have the honor to be,

S I R,

Your most obedient servant,
